

Official Records Search Instructions

1. Click "Martin County Official Records Search"
2. Read the Disclaimer then click "Accept"
3. Select how you would like to search (Party Name, Document Type, File Number or Book/Page)
4. Follow the instructions on the screen for entering search criteria.
5. Click "Search"
6. Once you follow these steps, you will be presented with a list of documents matching your search criteria.
7. If you would like to view a document, click "View" in the first column. On the next page, click "Get Image" and the document will open on the right side of the screen. If your computer settings do not allow the image to open, you can generate PDF image by clicking "View PDF".
